

THE STAMPEDE

THE OFFICIAL STUDENT NEWS SITE OF WIREGRASS RANCH HIGH SCHOOL

Thank you for your interest in becoming a part of *The Stampede*. We are the student-run newspaper of Wiregrass Ranch High School. The Stampede has been a Sno Distinguished Site for the last three years and our journalists are working diligently to earn that title again. We continue to grow our readership and name recognition in Pasco County through our website and social media platforms. Due to this growth, we expanded our program to include BULLS TV, a journalism tv production course we hope the students of Wiregrass Ranch will enjoy.

We rely completely on fundraising to keep our program running. It costs approximately \$500 annually to run *The Stampede* website alone. Along with yearly maintenance costs, the camera equipment needed to take quality images and videos can be upwards of \$1,500 each and we are in need of additional cameras for our growing program. Conferences and workshops that help train our staff can also carry a substantial cost, especially if we want to take our entire staff.

How can you help? You can become a supporter, partner, or investor with *The Stampede*.
